TO : Memo for the Record  
FROM :   
SUBJECT : Telephone conversation, Joseph Sikanavage  
and  4 May 1984

Mr. Sikanavage, Fairfax County Park Authority called our office today to advise us that plans for the reconstruction of Langley Fork Park were on schedule.

The contract bid has been approved at the lower level and has moved on for approval to the final board. Construction will probably begin the first week in June. This timing fits in with the six weeks we have been able to use those fields.

Mr. Sikanavage also asked if we had a physical fitness trail in our complex. I told him, only a running course through the area. He then told me a fitness course was planned for the complex and would be available for us to use also in the future.
